Lecture Series

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

In the fifteen years since we first opened our doors, there has been a rich cross-fertilization of ideas and collective learning at the Centre. This lecture series is intended to provide a forum for therapists of the Centre to share their perspectives, ideas, and therapeutic approaches to trauma work. The lecturers will use didactic components, discussion, case presentations, experiential exercises and/or film excerpts.

January 29, 2007

Integrating Models of Ego-State Functioning

Susan Oke, B.Sc., O.T.

About the Centre

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

The Centre for Treatment of Sexual Abuse and Childhood Trauma (CTSACT) was established in 1991 as a registered, not-for-profit, charitable organization. The Centre provides psychotherapy and counselling services for individuals who have experienced sexual abuse or other forms of trauma and neglect. Therapists at the Centre have expertise in providing trauma-focused therapy to children, adolescents and adults, as well as to couples and families. Another mandate of the Centre is to provide professional and public educational programs.

Intended Participants:

Psychologists, Psychological Associates, Physicians, Psychotherapists, Occupational Therapists, Social Workers, Counsellors, and Students.
[minimum number of participants = 15]

Fees:

	Regular	Full-time Students
Single Lecture	\$40	\$25
Lecture Series	\$280*	\$175*
